E-Diary

1 Introduction

2 Functionalities

3 Task Breakdown

4 End

July 24, 2021

INTRODUCTION

eDiary is a diary where you can get to know yourself and the people you interact with, better. eDiary is about your life and your world. You only get those messages you want and which can enrich your life.

FUNCTIONALITIES

July 24, 2021

- CRUD operations (create, read, update, delete)
- Calendar with color-coding option
- Address Book
- To-Do List
- Alarm
- Themes (in a far-fetched future)

TASKS

- Main Dashboard
- Calendar with Dashboard
- To-Do list with Dashboard
- Address Book with Dashboard
- Alarm might be kept as a functionality separately or combined with the Calendar events.

Food For Visualization
